

NOTICE

It has come to the notice of the MCC/DGHS/MoHFW that most of the participating colleges/institutes/universities are charging full annual fee at the time of admission and reluctant to reimburse the submitted fees to the candidate in case the candidate is upgraded to any other institution/college/university during second round.

In this context it is advised to deduct only processing fees/Transaction charges and refund back the rest amount in case the candidate is upgraded and getting relieved for second round seat.
